What is Secure^{Lite} STM?

Anytime you are without insurance, you are running a risk. You may not have a health problem now, but insurance is for the unexpected. Secure^{Lite} STM allows you and your family to purchase affordable short-term medical coverage for physician services, surgery, outpatient and inpatient care for a temporary period.

How does the plan work?

Secure^{Lite} STM pays benefits for each covered person in the following manner (subject to specific benefit limits):

1. You are responsible for eligible expenses until the deductible is satisfied. Choose from four options: \$500, \$1,000, \$2,500 or \$5,000 (maximum of 3 deductibles per family)

2. For most covered services, Secure^{Lite} STM then pays 80% or 50% of the next \$10,000 of covered expenses

3. After this, Secure^{Lite} STM pays 100% of covered expenses up to your Coverage Period maximum of \$750,000*

**Certain conditions have limited maximum benefits; see "What medical expenses are covered?" and "What Services are not covered?" Refer to your coverage document for specific terms and conditions.*

Who qualifies for Secure^{Lite} STM?

Secure^{Lite} STM is offered to members and their spouses under age 65 and their dependent children under age 19 (or under age 25 if a full-time student) who can answer "no" to the health questions on the application. Children age 19 and over should apply separately. Child-only coverage is available for ages 2 through 18 (see the Secure^{Lite} STM Rate Calculation instructions for details).

In reaching a determination as to what amount should be considered as Usual, Reasonable and Customary for services and supplies; we may use and subscribe to a standard industry reference source that collects data and makes it available to its member companies.

What are my Payment Options?

Choose from two convenient payment options.

- You can pay for coverage in **Monthly** payments for up to **6 months at a time**. We accept monthly payments by check, money order, credit card or automatic bank withdrawal. If you select the Monthly pay option, and your need for insurance ends before your coverage period ends, you can cancel at any time with prior written notification to our Policy Service Department.

- The **Single** payment option is ideal if you know the exact number of day's coverage is needed because this option has a **special reduced rate** and you only pay for the coverage you need in one **Single** payment. You can pay in full for any number of days, from a minimum of 30 days to a maximum of 180 days of coverage, by check, money order or credit card.

When does my coverage start?

Your coverage will begin as early as the day following the U.S. postmark stamp on your envelope. You can request a later effective date, but no more than 60 days after the application date. All coverage is subject to approval of your application and payment of the first premium.

How long will Secure STM coverage last?

HPA's Secure^{Lite} STM is specifically designed to fill temporary insurance needs and coverage stops at the end of the period applied for. Depending on the payment option you select, Secure^{Lite} STM offers coverage for one to 6 months.*

Can I continue coverage?

If your need for temporary health insurance continues, you may apply for another Secure^{Lite} STM plan.* Your application is subject to eligibility, underwriting requirements and state availability of the coverage. The next coverage period is not continuous and any condition incurred during the last coverage period will be excluded as a pre-existing condition.

**Some states may restrict reapplication to another STM Coverage Period.*

When does coverage terminate?

Coverage ends when the premium is not paid when due; or you enter full-time active duty in the Armed Forces; or you become eligible for Medicare; or the elected coverage period expires; or Standard Security Life Insurance Company of New York determines fraud or misrepresentation has been made in filing a claim for benefits; or a dependent ceases to be eligible; *or you cease to be a member of the association or the group master policy terminates.

**This applies to states where association membership is required.*

Is there a free look period?

If you are not completely satisfied with this coverage, and you have not filed a claim, you may return the Policy/Certificate of Insurance within 10 days and receive a premium refund.

Do I need precertification?

Pre-admission certification prior to eligible inpatient hospitalization or surgery by the covered individual within 48 hours is required. This is not a guarantee of benefits. Failure to precertify will result in a benefit reduction of 50%. (Preauthorization in Texas.)
